SECTION MARCHER (SM) DUTIES AND ROTATION FOR CH402, AY2024-2, Revised 27 November 2023

INSTRUCTIONS:

SMs are chosen alphabetically. If the SM is absent, the next cadet in alphabetical order is the substitute. SMs will take attendance, call the section to attention at the start of class, and render an oral accountability report to the instructor.

According to USMA SOP, the SM is in charge of the class until the report is issued to the instructor. If the instructor is not present within 2 minutes after the start of the class period, the SM will take charge of the section and direct another cadet to the main office for instructions.

SMs will keep a written log of daily attendance using a copy of the section roster posted on the web page.

SMs are responsible for inspecting and ensuring peers come to class with a professional appearance (clean shaven, uniforms clean, no chewing of gum or food). SM inspection is conducted before the start of class. SM is authorized and EXPECTED to excuse peers from class until corrections are resolved and to take other correctional actions as needed.
