

REQUIREMENTS FOR COURSE PLACEMENT/VALIDATIONS (CBT26) As of: 17 Apr 2026

Chemistry (CH101/102/CH275 – CBSE – POC: Dr. Eileen Kowalski):

If you believe you may have the background for validation of chemistry courses, take the exam. No exams will be administered after R-day. The Chemistry Placement Exam is optional. There is no penalty for a low score on the exam; all cadet candidates are invited to take the exam and do their best work. Validation is based on placement exam performance, AP/IB score (if any) and college Chemistry grade (if any). Please see the "Chemistry Placement Exam Instructions" document in the NC Placement Canvas site for further details.

- AP Score of 4 or 5 on AP Biology Exam validates CH275 (No validation for CH375)
- AP Score of 4 on AP Chemistry validates CH101
- AP Score of 5 on AP Chemistry validates CH101/CH102
- Test Score of 90% or better on respective validation exams validates CH101/CH102/CH275
- Grade of B or better in lab-based Chemistry or Biology course at a 4-year college validates CH101/CH102/CH275 (1 year equivalent of Chemistry courses required for validation of both CH101/CH102)

Cyber Science Validation Credit (CY300 – EECS - POC: Dr. Tom Cook):

Validation credit for the introductory computer programming course, **CY300**, may be granted to fourth-year cadets based on a score of **4 or 5** on the **AP Computer Science A Exam**, prior college coursework, or a score of **80% or higher on the CY300 final exam**, which students may take during the semester prior to enrollment.

English (LE100, , EN101 or EN151 – DEP – POC: Dr. Jonathan Adams):

All fourth-year cadets will take a first-year writing course. Performance on related assessments (CEER, ACT, SAT) and self-selection are the primary criteria for placement into EN101 (Composition) or EN151 (Advanced Composition).

Foreign Languages (LX2XX-LX4XX – DEWL-Dr. John Pendergast):

Can NOT validate Language. Can take advanced course.

All cadets required to take a foreign language. Placement based on:

- Responses to an on-line questionnaire
- DST: 45-minute language aptitude test
- Advanced level language placers will continue with further testing of written/verbal skills.

History (HI105, HI108W – HIST – POC: MAJ Ashley Mohr):

Cadets must take or validate either HI105 or HI108W; if they validate one course, they are not required to take the other.

- 5 on the AP United States History exam validates HI105/108W.
- 5 on the AP European History exam validates HI105/108W.
- 5 or higher on a relevant IB HL History exam validates HI105/108W.
- 5 or higher on the History of the Americas IB HL History exam validates HI105/108W.
- A or A- in the Cambridge Advanced Certificate of Education (AICE) Advanced Subsidiary or A Level History exam validates HI105/108W.
- A or A- in a one-semester (minimum 3.0 credit hours) European, world, and/or regional (covering more than one country) History course(s) from a four-year institution, domestic or foreign, validates HI105/108W.
- A or A- in a one-semester (minimum 3.0 credit hours) American History course(s) covering the colonial period to present from a four-year institution, domestic or foreign, validates HI105/108W.
- B or better in a History course(s) from Marion Military College validates HI105/108W.
Note: A grade of B or better in both US History course(s) from Marion Military College validates HI105/108W.

Psychology (PL100\PL150 - BS&L – POC: COL Conkey):

PL100 integrates leadership and applied psychology content tailored to military leader development. Can NOT validate PL100 but can be advanced placed into PL150. Advanced placement is based on 1) a college course with a grade of A or B, OR 2) AP score of 4 or 5, OR 3) an IB Score of 6 or better in Psychology.

Math (MA103. MA104. MA153X. MA206 – MATH – POC: MAJ Katherine Rutherford):

Data-Driven Modeling Placement (MA103 or MA153X): All cadets will be placed into either MA103 or MA153X (an advanced version of MA103) based on math-based indicators. MA153X is a pilot advanced version of MA103. Cadets with questions about placement in this course are encouraged to discuss that with the Math POC listed above.

Calculus Placement (MA104 or MA204 or MA255 or others): Unlike previous years, all cadets will be placed into an appropriate level of calculus during the fall semester as calculus is typically a Spring-term course for plebes. We will not require or offer a calculus placement exam during pre-R-Day testing. Students who have previously taken calculus. Placement into MA204 or MA255 will consider several factors like a Calculus Placement exam, AP Calculus AB score of 4 or better, AP Calculus BC score of 3 or better, grade of B or better in college-level calculus course, OR Interview with Core Math Program/Course Director. Students placed into MA204 or MA255 are given conditional validation of MA104.

MA206 (Statistics): Written validation test given during the fall semester.

Physics (PH201 – PANE – POC: MAJ Travis Barker):

May validate or take an advanced version of PH201 and/or PH202 based on 1) Achieving scores of 4 or 5 on the Advanced Placement (AP) Physics-C Mechanics and/or Advanced Placement (AP) Physics-C Electricity and Magnetism exams, OR 2) A grade of “B” or better in a comparable calculus-based Mechanics and/or E&M course with lab component from another college or university. Validation and placement require review by PANE. Required documentation includes Course Syllabus, and AP Exam results (or college transcript).

Economics (SS201 – SOSH – POC: MAJ Rubega):

- see department for more details during plebe year.
- Taken AP/IB Economics course, OR
- Previous College/University course work grade of A or B, OR
- See Economics DAC (MAJ Rubega) for interview and dates of assessment tests.

American Politics (SS202 – SOSH - POC: CPT Berry): Cadets are eligible to validate SS202 if they received a 5 on the AP American Government and Politics exam. Cadets may also be eligible for validation if they took an American Politics equivalent course at another university, but approval will be at the discretion of the program (these cadets must submit a syllabus from that course to the current American Politics DAC). Eligible cadets are required to attend a Civil-Military Relations lecture and receive an 80% or above average on the Civil-Military Relations Validation Assessment.

IF YOU NEED TO OBTAIN A COPY OF YOUR AP SCORES, CALL EDUCATIONAL TESTING SERVICES AT 1-888-CALL-4-AP (THE FEE IS \$15 per report)
